GLORIA DEI (OLD SWEDES') CHURCH, ERECTED A.D. 1700

Nov. 6, 1912.

The baptismal font was given to the church in 1685. by Queen Christina.

This verse is found on the slab in the center isle of the church in memory of Rev. John Dylander who was 4 years a minister.

While here he sang
his maker's praise.
The listening angels
hear his song.
And called their
comfort soul away.
Pleased with a strain
so like their own.

His soul attentive to the
call.
And quickly hastening to
obey.
Soared to etheral scenes of
bliss.
To pure to dwell in
grosser clay.
